County Commissioner Tim Burns Has A Plan to Protect Oakland County Working Families!

Creating Jobs in Oakland County

Times are tough in Oakland County. Families are struggling to make ends meet. Tim Burns has a plan to attract new jobs to our community. Tim believes that good paying jobs in the fields of alternative fuels, renewable energy, life sciences and high tech automotive engineering are key for our families.

Protecting Working Class Families

Home foreclosures are such a problem here in Oakland County that we were among just a handful of places that qualified for emergency aid. Losing a home can be devastating to a family and the neighborhood they leave behind. Tim Burns has a plan that offers real solutions for families caught up in the foreclosure crisis.
